

Thank you for considering becoming a Director on the Ancient Oaks Foundation Board of Directors. If accepted, you will be joining the Lake Zurich area's premier conservation organization.

Enclosed are several items for your consideration. The **Position Description** describes the requirements of a director of the AOF Board such as meeting attendance, standing committee descriptions etc. This should give you a good idea of what to expect, should you become an AOF director. The **Application** is self-explanatory. It should be filled out, dated, signed and returned to the AOF mailing address or via email. Familiarize yourself with the AOF **Board Member Agreement** but you will not sign it until you are formally accepted onto the Board of Directors.

When we receive your application, we will review it and contact you within 2 weeks from submission to let you know of our decision.

Please don't hesitate to call Judi Thode, President of the AOF if you have any questions about the Board of Directors position or any question about the Foundation itself.

And again, thank you for considering becoming a Director with the Ancient Oaks Foundation.
